MEMORANDUM FOR COMMANDER, NAVY INSTALLATIONS COMMAND

From: Commander, Navy Installations Command
To: Commanding Officer

Subj: 2024 DEPARTMENT OF THE NAVY DISTINGUISHED BANK AND CREDIT UNION
RECOGNITION AWARDS FOR OUTSTANDING SERVICE

1. We have completed the evaluation of nomination packages for the Department of the Navy (DON) Distinguished Bank and Credit Union Service Recognition Awards for calendar year 2024. The Bank Service Award was presented to United Services Automobile Association (USAA) Federal Savings Bank, Marine Corps Installations East, Camp Lejeune. The Large Credit Union Service Award will be presented to Navy Federal Credit Union Naval Support Activity, Souda Bay. The Small Credit Union Service Award was presented to Topside Credit Union Naval Support Activity South Potomac, Dahlgren.
2. All of the nominations received this year reflect the beneficial relationship that exists between DON and on-base financial institutions. Results of this relationship are evident in the financial products and timely delivery of financial services to the community. While only one bank and credit union in each category may be selected, we recognize the excellent service each nominee provides in support of our mission and total force.
3. Additionally, we acknowledge and greatly appreciate the efforts of each Commanding Officer and Banking Liaison Officer for the submission of nominations to recognize outstanding financial institutions. Please pass on our appreciation to the staff of the nominated financial institutions for their continued support.

STEPHEN STRAUB
BSO 52 Comptroller
